

# Brooklyn F.I.S.T – Families in Support of Treatment

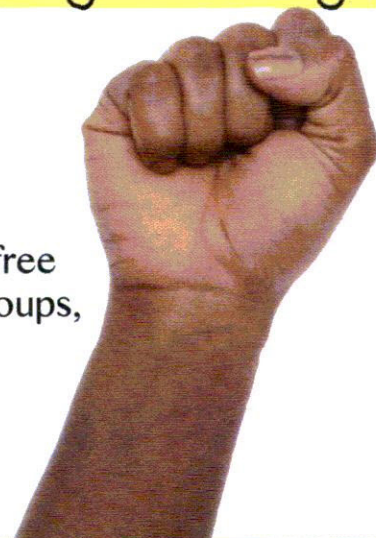

Addiction Awareness • Prevention • Advocacy • Recovery

## The evening will feature:

An overview of the current epidemic • Barriers to treatment  
Testimonials from family members • Treatment Options  
Strategies for Drug Prevention • Signs & Symptoms

Over 65 Organizations and Agencies participating to offer free resources on topics including but not limited to: support groups, treatment, prevention, parenting programs, and self help.

**Save the Date:** Thursday  
**October 24th** 6:30pm - 9:30pm

Our Lady of Angels, AUDITORIUM, 7320 4th Ave, Brooklyn, NY 11209

Anyone who has been impacted by addiction in any way is welcome to attend.  
If you have lost a loved one and would like to participate in the presentation, please contact [Anthony@fist-familiesinsupportoftreatment.com](mailto:Anthony@fist-familiesinsupportoftreatment.com). We also encourage attendees with loved ones who have died as a result of being denied treatment to bring an 8 x 10 photo of them as a way to support other families

Informacion disponible en español
